CENTENARY YEAR EVENT

1910 - 2010

Our Club is one hundred years old this year, an anniversary which needs celebrating in style on Friday October 15th 2010 at Ewood Park the home of Blackburn Rovers

There are invited speakers, with Paul Dickinson already confirmed and more to be announced. Paul is one of the best-known voices in BBC Sport. He has been a leading BBC commentator on track and field for 20 years, as well as contributing to a host of other BBC programmes.

Everyone who attends will enjoy a free introductory drink when they arrive and will be served with a three course meal plus coffee and mints. There are six choices of starters; 5 choices of main meal and 5 choices of dessert.

The Pennants Lounge holds approximately two hundred people, but we have a reserve option for the use of the Premier Suite if application for tickets exceeds the seating capacity of the Pennants Lounge. This means we need to know very soon whether you wish to buy tickets for the event.

Our Club Chairman, Tony Wood, is writing a history of Blackburn Harriers & Athletic Club and it is hoped that the book will be available for sale at the dinner. Our Club President, George Kirby, hopes you will join him and be part of this centenary celebration event especially as 2010 promises to be a memorable year for the Club with the announcement of the building of a stand at Witton Park in the summer.

Each ticket will cost £20 and if you would like to buy tickets for the event, please fill in the form below and return. Given the nature of the event, we feel that there should be a lower age limit of 15yrs.
